Clinic Case Study Grading Rubric: Level I

Student Name: _____

TOTAL SCORE: _____
(75% or more required to pass)

Formatting (10%):   **Score & Comments:**
A (10 pts) = Case Study format is appropriate for graduate level work.
B (8 pts) = Case Study format acceptable, but needs specific improvements.
C (6 pts) = Case Study format minimally acceptable; much improvement needed.
F (0 pts) = Unacceptable formatting.

Case Summary (10%):   **Score & Comments:**
A (10 pts) = Summary has enough detail for a differential diagnosis of the chief complaint.
B (8 pts) = Summary is acceptable, but missing some important details.
C (6 pts) = Summary is minimally acceptable.
F (0 pts) = Unacceptable Summary.

Chinese Medical Diagnosis & Analysis (25%):   **Score & Comments:**
A (25 pts) = Diagnosis of the chief complaint is clearly stated and adequately supported with evidence.
B (20 pts) = Diagnosis of the chief complaint did not account for all evidence.
C (15 pts) = Diagnosis of the chief complaint minimally supported with evidence.
F (0 pts) = Insufficient analysis of the evidence.

Biomedical Impression (10%):   **Score & Comments:**
A (10 pts) = Biomedical impression reasonable and details on standard of care included.
B (8 pts) = Biomedical impression reasonable, but missing details on standard of care.
C (6 pts) = Biomedical impression questionable and/or missing details on standard of care.
F (0 pts) = Unsupported Biomedical impression and/or insufficient details on standard of care.

Treatment & Analysis (25%):   **Score & Comments:**
A (25 pts) = Treatment plan summarized and analyzed with sufficient detail.
B (20 pts) = Treatment plan summarized and analyzed, but missing some important details.
C (15 pts) = Treatment plan summarized, but minimally analyzed.
F (0 pts) = Unacceptable treatment summary and analysis.

Outcomes & Prognosis (10%):   **Score & Comments:**
A (10 pts) = Outcomes and Prognosis explained with sufficient detail.
B (8 pts) = Outcomes and Prognosis adequately explained, but missing details.
C (6 pts) = Outcomes and Prognosis included, but minimally explained.
F (0 pts) = Outcomes or Prognosis not included or not sufficiently explained.

Recommendations & Conclusions (10%):   **Score & Comments:**
A (10 pts) = Recommendations and Conclusions explained with sufficient details.
B (8 pts) = Recommendations and Conclusions adequately explained, but missing details.
C (6 pts) = Recommendations and Conclusions included, but minimally explained.
F (0 pts) = Insufficient Recommendations and Conclusions.
